Q: I am getting married in 2 months. Is there anything I can do to improve my smile before the wedding?

A: Congratulations and absolutely. I have helped many a bride

Ask The Dentist

and mother of the bride over the years have a brighter and more attractive smile on short notice. Power whitening together with very conservative reshaping and bonding can dramatically improve appearance and let you smile with confidence.

These can often be done with no numbing and in one visit.

Today it is easier than ever to have a smile that will make your special day extra special and those wedding pictures

fantastic.
